### About Me

#### EDUCATION

Bsc.Electronics,  
Prajyoti Niketan College  
Pudukkad  
Expected Graduation: 2026

#### Hobbies & Interests

- Coding & exploring new tech
- Painting
- Reading books

I am a final-year Bsc.Electronics student (graduating in 2026) with a strong passion for Full Stack Development. Skilled in both frontend and backend technologies, I enjoy building scalable and user-friendly applications that solve real-world problems. I believe in continuous learning and always keep myself updated with modern tools and frameworks. Coding is not just a career path for me but also a way to express creativity and logical thinking. Outside of technology, I love painting, which enhances my creativity, and reading books, which helps me broaden my perspective and improve my problem-solving mindset. My goal is to grow into a versatile developer who can contribute to impactful projects and collaborate effectively with teams.
